A RETROSPECT.

I used to sit and dream sometimes
Of days when I might be
A benedict, with gentle wife,
And babies on my knee.
I pictured home with easy chairs,
Where I could sit and smoke
Or read a book, but these were dreams
Of which I seldom spoke.
I'm married now. The dream came true,
And my place I wouldn't trade
With any man. I've got the best
That heaven ever made.
But still sometimes I sit and dream
Of days when I was free,
And of the good old times I had
And the sport I used to be.
I picture girls I used to know
(Sweet memories of the past.)
But the girl I have and the present days
Have got the past outclassed.

James Cullen has improved his barber shop
by adding two new chairs and fixing up a little.

EVERY dollar spent for humane education is a dollar spent for the prevention of wars, incendiary fires, railroad wrecks and every form of cruelty and crime.—Dumb Animals.

A MAN must have a great deal of vanity who believes, and a good deal of boldness who affirms, that all the doctrines he holds are true and all he rejects are false.—Benj. Franklin.

INDIA'S accumulated hoards of wealth, locked up in strong iron boxes and secreted, it is claimed, amounts to \$1,500,000,000, and that this vast sum is being augmented annually to the amount of \$55,000,000.

SENATOR DANIEL of Virginia is the latest distinguished convert to the theory of Protection. It looks now as though there would not be a single old-fashioned Free-trader left in Congress by the time the Tariff debate is over.

It has been said that "when God set about creation he first planted a garden." It now remains for man to change the whole face of nature into one great garden. That will be Eden come again, the kingdom of heaven on earth.

CONGRESSMAN FOWLER of New Jersey, at a public dinner where the German Ambassador had put in a plea for a commerce that is "reciprocal and based on fair exchange and mutuality," said he should be careful "lest in establishing mutuality we give away our own market of \$25,000,000,000." "Remember," he said, "that the home market is our own, and that it is better to have a home market of \$25,000,000,000 than to be sharing in a foreign market of \$10,000,000,000, for which every Nation is a competitor."

PLAINLY the Tariff has developed into a vocal instead of a local issue.—Carlisle Mercury.

EVERY householder can create beautiful effects in his lawn. It matters not what the size of his grounds, he can still make them picturesque and attractive. The smaller they are the higher should be his art in making the most of what he has.

Turkey watches Francis Joe,
Greece is watching Turkey;
Italy is staring so
That her sight gets murky.
Germany is watching France,
England, too, is staring;
Such a lot of spying 'round
Must be very wearing.

ACCORDING to a recent statement from the Navy Department it requires \$100,000 a year to keep a first-class battleship in good condition and repair. Of course, the money is not wasted, as Uncle Sam has to have the warships. It is going to be the fight of his life to keep out of the clutches of the Japs. These little yellow hornets of the East would jump on us now if it wasn't that Russia is only waiting for an opening to give them another fight. Between the United States and Russia the Japs would seem to fare badly in a world's war show down. It is conceded by war experts that all the big Nations are preparing for war, and when the mix-up comes the very horrors of hell will be to play, and the wars of the past will sink into insignificance in comparison with the world war to come. With aeroplanes to drop dynamite on the cities and the submarines to blow up the navies and the marine fortifications, the results can hardly be imagined.

A HINT TO CHAWLEY.

Charlie Nokoyne—"He said the family was over-crowded now."

WASHINGTON, July 27th.—The world's aeroplane record for two men, as to both time and distance, was broken this evening, in a beautiful flight of one hour, 12 minutes and 40 seconds, a distance of upwards of fifty miles and at a speed averaging about 40 miles an hour, by Orville Wright at Fort Meyer, with Lieutenant Frank P. Lahm of the Army Signal Corps as a passenger. President Taft saw the feat and personally congratulated Wright.

"Since the enactment of the Prohibition Law in Alabama there have sprung up more than 300 'locker clubs' in Birmingham alone, and the Courts have held that they are perfectly legal. The result is that there is more drunkenness than there ever was before. I was in favor of Prohibition when it was proposed. I thought it would be a good thing. Now I am against it," said Otto Marx of Birmingham, Ala., one of the leading Bankers of that city, in Cincinnati on business.

RUGGLES CAMPMEETING

Ledger Correspondent Writes Entertainingly of What's Going On

RUGGLES CAMPGROUNDS, July 26th, 1909.

What we have had in the shape of weather today, especially the latter end of it, may be called "showers of blessing," but they were awfully wet showers. But we are all satisfied. Let 'er rain! It's not far to go to Church, and then, when it rains, it's the only place to go, so, in a way, it works a benefit.

We have been favored again today with some high-class preaching. The sermons by Rev. E. H. Edwards at 10 a. m. and by Rev. H. W. Bunton at 7:30 were very fine and well suited for campmeeting work. Rev. J. A. Chapman sang a beautiful and very effective solo at the evening service.

The Young People's service was favored with another fine and very practical, illustrated talk by Rev. G. W. Bunton. With the other features it was a fine service and closed with an altar consecration service.

The latest Ministers to arrive are Dr. G. M. Jolly of Augusta, Rev. J. E. Williams of Shinkle Church, Covington, and Rev. H. D. Cooper of Crum Circuit.

Mr. and Mrs. I. M. Lane, Mrs. B. P. McClanahan and Mr. G. W. Dye visited Kirk Springs this morning.

Miss Lydia Shepard of Cincinnati arrived this afternoon and is a guest at the hotel.

Rev. F. W. Harrop made a quick business trip to Maysville today, returning this evening. Your correspondent is under obligations to him for special favors rendered.

The memorial service, followed by the Communion of the Lord's Supper, will be held Thursday at 10 o'clock. All will be glad to know that Rev. F. W. Harrop will preach the memorial sermon, remembering the grand sermon he delivered last year on a like occasion.

Friday will be observed as Temperance Day, with a special program, which is in process of preparation.

The mystery of "The Sign of the Dish Rag" is solved. From first-hand information we are authorized to say that it hangs out, beckoning a welcome to Colonel Thomas A. Davis, and he is hereby invited to visit No. 18 and test the "Sign of the Dish Rag."

Mr Sidney Taylor, aged 23, Advertising Solicitor for The Cincinnati Post, and Miss Alice Ethel Sherman, aged 23, of Latonia, Ky., came up on the C. and O. They were disappointed in finding the Reverend gentleman and family absent from home, but fortunately Rev. W. W. Akers was accosted at Williams' Drugstore and that gentleman accompanied the seekers after conjugal bliss to the Central Presbyterian Church, where the beautiful and impressive Church service was performed and the twain made one.

Women Suffer

much needless pain when they delay using Cardui for their female troubles. Cardui has been found to relieve headache, backache, pain in the side and dizziness arising from deranged organs. It does more than relieve,—if used persistently,—many have written to say that it cured them.

TAKE CARDUI

It Will Help You

Mrs. Maxwell Johnson, Tampa, Fla., writes: "Cardui cured me after doctors and everything else had failed. I had been suffering with numb spells ever since I was 16 years old. One day I decided to take Cardui. I have now taken 6 bottles and I can say that it has cured me. I advise all suffering women to give Cardui a long and fair trial."

Mrs. Johnson suffered years. Have you? Do you wish to? But why suffer at all? Take Cardui. Give it a fair trial.

ALCOHOL IS A PRESERVATIVE.

Alcohol is recognized the world over as the proper, most efficient and wholesome preserver of medicinal compounds, and while some journalists try to alarm the world by the cry that patent "medicines contain more alcohol than beer," they neglect to state that proprietary medicines are taken in doses from a teaspoonful to a tablespoonful, while beer is a beverage that is consumed in quantities from a glass to several quarts a day.

Lydia E. Pinkham's Vegetable Compound contains only 18% alcohol, simply enough to preserve the roots and herbs from which it is made, and may be relied upon by every woman in the land as a reliable, honest and sure remedy for the ills peculiar to her sex.

PLAN RAILROAD

Mining Interests Concerned in Project to Enter Coal Field.

Members of the Kentucky Coal Company from Louisville and other cities in Kentucky, met in Cincinnati the past week at the Grand Hotel to consider the purchase of land and the building of a spur railroad in the Eastern counties of Kentucky to bring out the coal. Nothing definite was decided at the meeting, but the idea of a branch railroad, either from the Louisville and Nashville through Harlan, Clay, Jackson and Pike counties, or a spur from the Chesapeake and Ohio from Maysville to Clay City and Jackson, was under discussion. The committee refused to divulge the result of the discussion, but admitted that coal companies holding property in the Eastern counties of Kentucky would try to influence one or the other of the roads to carry their lines into the rich fields of Eastern Kentucky in a short while.

You have too much curiosity—if it sends you to a funeral.

There is enough whisky in bond in the various storehouses of Louisville to supply every man, woman and child in the United States with half a gallon, and still there would be enough to go around, for the statistics in the Internal Revenue Department show that there were 56,949,428.30 gallons stored away in the confines of Jefferson county at the end of the fiscal year, June 30th. When this amount of whisky is released, upon the payment of the internal revenue tax, the United States Government will receive \$62,644,371.31.

Beware of Ointments For Catarrh That Contain Mercury.

as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is tenfold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, O., by F. J. Cheney & Co. Testimonials free.

Sold by Druggists. Price 75c per bottle. Take Hall's Family Pills for constipation.

GIVE YOUR EYES A HOLIDAY

Your eyes have been working at least sixteen hours a day and seven days each week, with no time off for lunch. Do you expect them to continue to do this year after year without assistance? If you can't go to the mountains or sea coast, you can, at least, give your eyes a rest by wearing the proper lenses to correct the errors of refraction. Headache, nervousness, indigestion, etc., when caused by eye strain, will be relieved at once by suitable lenses.

There is no one within fifty miles of Maysville who is as thoroughly competent to correct errors of refraction as

J. A. SIMPSON,

Who has his suite of offices in the First National Bank Building.

Within thirty minutes of the time he received his naturalization papers from the Federal Court at Huntington Monday, Rocco Deonello, an Italian, was run down and killed by a Chesapeake and Ohio train. To avoid being struck by a freight train he stepped from one track to another and was hit by a fast passenger train going in the other direction.

A party of twenty young people from Jersey Ridge and Moransburg formed a big wagon load of joy riders who visited Maysville last night, just after the big rainfall. They came very near being drenched and only escaped by seeking shelter in a barn near town. After ordering 20 sodas at Williams' soft drink cafe they motored back home by the light of the silvery moon.

BIG MORTGAGE
 Released and One Three Times Larger Recorded

Deputy County Clerk Lindsay has recently completed recording the largest mortgage ever filed in the Mason County Clerk's office. The document covers ninety pages of a large record book and is given by the Chesapeake and Ohio Railway Company to the New York Trust Company and William H. White, Trustee.

The mortgage released represented \$10,000,000, while the one replacing it called for \$30,000,000. The document is known as a general equipment and improvement mortgage.

BURDENS LIFTED

From Maysville Backs—Relief Proved By Lapse of Time.

Backache is a heavy burden; Nervousness wears one out; Rheumatic pain; urinary ills; All are kidney burdens—Daily effects of kidney weakness. No use to cure the symptoms; Relief is but temporary if the cause remains. Cure the kidneys and you cure the cause. Relief comes quickly—comes to stay. Doan's Kidney Pills cure kidney ills. Prove it by your neighbor's case. Here's Maysville testimony; The story of a permanent cure: William H. Paul, 333 East Third street, Maysville, Ky., says:

"For two years I had pains in my back and other troubles, caused by disordered kidneys. When Doan's Kidney Pills were brought to my attention I began their use and they soon brought me relief. I cheerfully indorse this remedy as one that lives up to the claims made for it."

The above statement was given on December 13th, 1904, and on February 6th, 1908, Mr. Paul added:

"My opinion of Doan's Kidney Pills has not changed since I first recommended them. My cure has been lasting and I am now in good health."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
